This certificate is to be used only for the purpose expressly allowed and agreed to by Intertek. The certificate of achievement reflects our findings at the time of the audit and is based on a sampling exercise, considering the facilities, operations, practices and systems viewed on site during the audit. It therefore does not follow that no non-conformances exist where none have been noted. The information emerging from Intertek is given after the exercise of all reasonable care and skill in its compilation, preparation and issue. No liability for the display, use and application of this certificate is accepted by Intertek and Intertek does not guarantee the quality and safety of any goods produced on the premises. This certificate is to be considered in conjunction with the associated audit report, is valid subject to ongoing compliance with the certification requirements and to be considered in relation to the specific scope.
